# High-Risk Jurisdictions subject to a Call for Action – 23 October 2020

 Send  Print  Tweet

High-risk jurisdictions have significant strategic deficiencies in their regimes to counter money laundering, terrorist financing, and financing of proliferation. For all countries identified as high-risk, the FATF calls on all members and urges all jurisdictions to apply enhanced due diligence, and in the most serious cases, countries are called upon to apply counter-measures to protect the international financial system from the ongoing money laundering, terrorist financing, and proliferation financing (ML/TF/PF) risks emanating from the country. This list is often externally referred to as the “black list”.

On 2 August 2020, FATF decided to pause the review process for the list of High-Risk Jurisdictions subject to a Call for Action. Therefore, please refer to the statement on these jurisdictions adopted in February 2020. While the statement may not necessarily reflect the most recent status in Iran and the Democratic People’s Republic of Korea’s AML/CFT regime, the FATF’s call for action on these high-risk jurisdictions remains in effect.
